#TOGETHERAGAIN

Happy Pride Month

"Pride to me is the ultimate commitment to being true to who you are and surrounding myself with friends and chosen family who help me feel seen, loved, and understood. I got involved with the Baltimore Pride committee because I wanted to connect with the community and help elevate the city and celebration that I love so deeply. I am so grateful for the opportunity to work with such a talented group of people and I cannot wait to celebrate together at Baltimore Pride!"

~ Ari Hamilton-Gery

Corporate Communications Manager
Baltimore Pride Marketing Committee

"The 2022 Baltimore Pride Festival will be extraordinary this year, featuring nationally known headliners for the first time and the best among local artists. The vast brilliance of same-gender-loving (SGL), bi, trans, gender nuanced people, and the LGBTQ spectrum will weave a beautiful Black, White, Asian, Latinx, and Native mosaic affirming our rich diversity. The 2022 Pride Committee has been like butter."

We hope all that we do reflects all that we are.
Happy Pride
